Seminar topic

One Year, Two Hemispheres: Comparing Information Security in Europe and New Zealand

Presenter

Chris Hails

Chris has worked in information security for the last two decades (Bastion, ZX, Heartland Bank, Waka Kotahi, Deloitte, NCSC) and recently returned to the UK.

He'll share insights and observations on differing approaches to protecting systems and data from a year spent working for a European multinational.

Looking at threats, regulations and the response to Mythos, Chris will provide an outsider's view on how the UK and Europe are working to build cyber security maturity.
